WELCOME

Salaamun Alaykum,

Masoomin Sports Club in collaboration with the Al-Abbas Ladies Committee are, once again, pleased to hold the Ali Asghar Water Appeal Walk-A-Thon.

We have been overwhelmed by the response this year and we look forward to welcoming you all to join us on a route starting at our Al-Abbas Islamic Centre to Cannon Hill Park and back.

Our primary purpose is geared towards making this world a better place through sport. There is no better way to making a difference together than to help raise funds for WF-AID's life changing water projects.

All funds collected as part of this campaign will be dedicated to the installation of water wells in the Ngora, Soroti and Kumi Districts of Uganda. The primary impact is to bring life-changing sustainable water, sanitation and hygiene to these remote areas.

Each water well costs approximately £948 and each well would benefit 36,000 individuals with access to water so please help us to raise as much as possible!

Please continue to gain sponsorship and donations for your walk via www.zakatuna.com/aawa24

We are truly humbled by your generous contributions to this cause. We pray to Allah (SWT) to reward you amply for your efforts.
